

## REMARKS

Applicants hereby acknowledge the Restriction Requirement contained in the Office Action mailed March 24, 2006. In particular, Applicants note the Examiner has identified Group I corresponding to Claims 1-4; Group II corresponding to Claim 5; and Group III corresponding to Claim 6.

Applicants respectfully elect provisionally to pursue the invention of Group 1, Claims 1-4.

Applicants respectfully traverse the Restriction Requirement and believe that a thorough and complete search for the invention of Groups I and II are contained in class 204, subclass 157.15 (as indicated in the Action). Further, Applicants believe that a thorough and complete search of class 208, subclass 96 is also beneficial.

Should the Examiner need to contact Applicants' undersigned representative, the Examiner is invited to telephone Applicants' undersigned representative at the number listed below.

Respectfully submitted,

Mark G. Mortenson
